Recharter 2022 Updates

The Internet Recharter 2.0 software opened on Sunday 2 Oct 22. Access is limited to unit Key 3 and Key 3 Delegates. Make sure that your current Key 3 are registered in [MyScouting.org](https://www.myscouting.org) and you designate your Key 3 Delegates responsible for recharter processing prior to opening the software

Once you have submitted your completed unit recharter on-line, your unit information in [MyScout.org](https://www.myscout.org) is locked until National processes all unit recharter starting on 1 Jan 23. That means that you will be unable to add new Scouts or Scouters and also unable to add Scout rank advancements.

In discussion with the Council Registrar, we will not be processing completed unit recharter until 2 Dec 22.

The recommended form of recharter payment is EFT. There is a \$1.00 service fee for this process. You may use a credit card, but there is a higher percentage fee charged.

Only units using financial assistance **MUST** pay by check. We will need to manually recalculate the correct amount due once you have submitted the necessary applications for financial assistance. You will need to meet with the Commissioner staff at one of the scheduled turn in dates to complete the recharter process

Recharter 2022 Updates

All Cardinal District recharter turn in appointments announced during last month's Roundtable for October and November are cancelled.

There is a "Meet with the Commissioner" ZOOM meeting set up every Wednesday from 8:00 through 9:00 PM starting on 19 Oct 22. District unit commissioners and I will be on ZOOM to answer any questions on recharter or Scouting that you may have.

For Protestant Scouts Grades 6 - 8

God and Church Award - For Protestant Scouts Grades 6 - 8

Program: Earn the God and Church award. The God and Church program will lead young people on a journey. It will be a faith journey with three parts: meeting Jesus, worshiping God, and witnessing and ministering for Christ. Participants will create either a video or a photo album to share what they have learned on their faith journeys. Young people will have the opportunity to work with their pastor or other Christian adult as they study the church's structures and objectives and participate in service projects that will give them a better understanding of the mission of the church.

Dates: Sunday afternoon, Fall 2022

Safety Moment

Scouts First Helpline

Safety Moment Summary:

Scouts First Helpline (1-844-SCOUTS1)

The protection of youth is the primary obligation of every individual involved in the Boy Scouts of America; including leaders, parents, members, and professionals. The BSA has been and will continue to be vigilant in creating barriers that help prevent abuse and educating those involved in Scouting to recognize and report child abuse regardless of where it occurs. As part of its “Scouts First” approach to the protection and safety of youth, the BSA has established 844-SCOUTS1 (844-726-8871), a dedicated 24-hour helpline to receive reports of known or suspected abuse or behavior that might put a youth at risk.

Safety Moment:

Who can use the helpline?

Scout leaders, registered members, parents, Scouting professionals, or anyone else who believes a youth in Scouting might be at risk.

When should I use the Scouts First Helpline?

Anytime you believe a youth has been harmed or their safety and well-being is at risk, and you cannot immediately reach your Scout executive or local council.

Below are **some** examples:

A leader on a campout receives a report that one of the Scouts has been abused, and the council office is closed.

Parents learn after their Scout has returned from camp that the youth was threatened with a knife, but they don't know who to call at the council.

A Scouting professional receives an anonymous report of abuse and would like guidance on next steps.

An individual is camped next to a Scout troop and witnesses behavior that appears to be unsafe.

Safety Moment:

Can I use the helpline during normal business hours?

Yes. The goal of the helpline is to provide immediate assistance that ensures the alleged victim as well as unit and council leadership are fully supported and appropriate actions are taken. During business hours, a member of the National Service Center will help you. Calls made after hours may be answered by an answering service that will take the information, determine the level of urgency, and then notify the appropriate person.

Reporting Tips

Accurate information is critical to an appropriate response. However, a lack of specific information is not a reason to delay a report. The Scouts First Helpline is not intended to take the place of council involvement. It is to provide 24/7 guidance to volunteers, Scouts, parents, and Scouting professionals to report abuse or serious youth protection violations outside of the local council's business hours. Local councils receiving reports of abuse or behavior that might put a youth at risk will contact Scouts First to report the incident.
