# Safety Moment: Communicable Disease Prevention

“There’s a  
patch for that.”

Prepared. For Life.®

# Safety Moment: Communicable Disease Prevention

- Communicable diseases are caused by germs—both viruses and bacteria.
- You can catch infections in several ways, but all involve germs coming in contact with mucous membranes or through breaks in the skin.
- While most communicable diseases are treatable, preventing the infection is the best approach. Communicable infections spread in many ways, including:
  - Putting hands in your mouth or touching nose with germs on your hands.
  - Inhaling after an ill person nearby has coughed or sneezed.
  - Eating food contaminated from improper storage, handling food without proper handwashing, or consuming food that someone who is ill sneezes or coughs around.
  - Touching blood, vomit, or stool from an infected person.

Prepared. For Life.®

# Safety Moment: Communicable Disease Prevention

- Good handwashing is the most important step you can take to prevent spreading germs.
- Using an alcohol-based hand sanitizer is OK for many situations, but if blood or soiling of the hands is present, or if you have diarrhea, then wash your hands with soap and water for at least 20 seconds.

## Individual Membership Renewal

<https://www.scouting.org/resources/unit-and-membership-renewal/>

Prepared. For Life.®

# General Session

- Beginning two months before a person's registration expires, emails will be sent as a reminder with a link that takes the person directly to the renewal process. Those emails will continue on a 15-day cycle until the registration is completed. In addition, each month an e-mail is sent to unit key three listing all members that renew in the next two months.
- There are two methods for members to renew, one is for the family or the person to do their own renewal, and the other is to allow the unit to pay for renewals.

# General Session

## Auto-Renewal Membership

For all youth and adult members of the BSA

*Note: All registrations are for 12 months. For example, if your current registration expires on 12/31/2023, your renewed membership will start on 1/1/2024 and run through the entire calendar year until 12/31/2024. Membership renewal can be completed by either the individual, the family or the unit.*

### Auto Renewal Membership Family/Self Pay

- An email notification and a renewal link will be sent 60 days before membership expires.
- The link provided in the email will direct individuals to a renewal form on My.Scouting
- If registered in multiple positions, select the primary position. Renewing the primary position will automatically renew multiple positions.
- The individual pays with a credit card and submits the renewal.
- The unit will approve the membership renewal.

### Auto Renewal Membership Unit Pay

- In Organization Manager, the unit selects the Unit Pay option.
- Unit Key 3s are notified each month about which members are due to renew that month.
- Using the Roster tab, the unit selects which members they are renewing.
- The unit can choose not to renew a member (opt-out). The unit can also change the Scout's Life subscription settings for each person.
- The unit pays with a credit card or establishes a securely stored electronic fund transfer payment (ACH) and submits the renewal.

**SHOOTING SPORTS COMMITTEE  
OCCONEECHEE COUNCIL, BSA**

The Shooting Sports Committee of Occoneechee Council has been hard at work to update the shooting sports program. The rifles in current use at Camp Durant are very old, more than 30-40 years. The rifles made by Mauser are no longer produced, making it hard to find replacement parts.

Sturm, Ruger & Co. has a manufacturing facility here in North Carolina that produces the Ruger All American Rimfire Rifle. These rifles, made here in our backyard, comply with the BSA rules for scout rifles. We have worked closely with Ruger for a plan to update the Camp Durant rifles. The Shooting Sports Committee seeks to purchase 25 rifles, the Ruger Model 8328. The rifles come with Williams Peep Sights preinstalled. Our cost for each rifle is \$343 delivered. Jager Parts Manufacturing Corp. LLC is an FFL holder and has agreed to receive the rifles and waive the costs.

We have already raised enough funds to purchase sixteen of the rifles. We are asking the troops and friends of our program to consider sponsoring a rifle or two. We would like to raise the funds by the end of August. Please contact Don Bardes at 919-345-6413 or 919-374-8421 with any questions.

Thank you for supporting Scouting America and all the work you do for the program.
