- Unit Notification
  - List of expired participants shared with District Commissioner
  - District Commissioner shares with Unit Commissioner
  - Unit Commissioner shares with unit Key 3

Prepared. For Life.®

# Safety Moment: Parades and Hayrides

The BSA's prohibition on the transportation of passengers in the backs of trucks or on trailers may be tempered for parade floats or hayrides, provided that **the following points are strictly followed** to prevent injuries:

- Transportation to and from the parade or hayride site is not allowed on the truck or trailer.
- Those persons riding, whether seated or standing, must be able to hold on to something stationary.
- Legs must not hang over the side.
- Flashing lights must illuminate a vehicle used for a hayride after dark, or the vehicle must be followed by a vehicle with flashing lights.

Prepared. For Life.®

# Safety Moment: Parades and Hayrides

## A few **SAFE** tips for hayrides and parades

- Have leaders spread throughout your trailer, wagon, or truck bed near the open areas (like the access to the trailer, wagon or tailgate) to help with any unexpected bumps.
- All drivers of the tow vehicle need to be familiar with the proper procedures for towing vehicles.
- Ensure all youth and adults who are participating in parades (especially if walking) are fit enough for the parade route.

# Council Alumni Committee

**Council Alumni Committee Chair**  
**Will Highsmith**
